

GREATER VICTORIA BASEBALL ASSOCIATION

2009 Universal House Rules Governing League Play: Spring Season

PEE WEE DIVISION BASEBALL

Note: With the exceptions outlined below, The Official Rules of Baseball (Canadian Edition) and the rules of the BC Minor Baseball Association apply to all Pee Wee Division baseball played in the Greater Victoria Area. The following Universal House Rules also apply during all Exhibition, League, Inter-League and Playoff games during the Spring season.

1. OFFICIAL GAMES

As per BCMBA Rule 18.01, Regulation Games shall be seven (7) innings in length. When the score is tied at the end of a regulation game, the game may go into extra innings until a decision is reached or the game is stopped by the umpire.

If bad weather, darkness or any other reason prevents completion of a game, the following procedures apply:

- a) If 5 innings have been completed or if the home team is ahead after 4.5 innings, the game is Official and the outcome is recorded. For League games, if the score is tied at the end of the last completed inning when the game is stopped by the umpire, it shall be declared a tie.
- b) If a **League game** is called for any reason before it is an Official Game, the entire game will be re-played. If a re-schedule is not possible, the game will be recorded as a tie.
- c) If a **Playoff game** is called for any reason before it is an Official Game, or if the score is tied at the end of the last completed inning when the game is stopped by the umpire, the re-scheduled game will resume where it was halted and will not be replayed as a new game.
- d) Decisions on whether to cancel/postpone a game due to inclement weather are made by the home team manager at the playing field at the start time for each game. Teams are expected to show up on time for all scheduled games.

2. FIELDING NINE PLAYERS

Generally, games are not to be postponed by Managers or Coaches because of a shortage of players. **If a team cannot field nine (9) players** from its regular roster to start the game, the following procedures are to be followed to enable games to go ahead as scheduled:

- a) Pick-up players are to be used to bring the temporary roster for that game to nine (9) players.
- b) Pick-up players must be registered on other teams in the GVBA. They must be of the same age level or from a lower age level, as long as a pick-up's participation does not interfere with games/practices of his/her regular team. No player from a lower age level may play more than three games at the Pee Wee level, without exception. **Pick-up players are not allowed to come from Little League.**
- c) Pick-up players must bat last and must play in the outfield.

- d) Line-ups (with copies going to the Plate Umpire, Score Keeper and opposing Manager) must list absent or injured players and identify the pick-up players. Pick-up players must wear all required safety equipment and the uniform of their regular team.
- e) Regular team members always have precedence over pick-ups. Regular team members are not to be sitting while pick-ups are playing. Regular team members arriving late are to be inserted into game between half innings.
- f) As a last resort, a team may play with only 8 players without penalty. **If a team cannot field at least 8 players (including pick-ups), it will forfeit the game.** NOTE: Pick-up players may NOT be used to cover a player shortage resulting from an EJECTION. If a team cannot field eight (8) players after an ejection, the game will be immediately stopped and the opposing team will be declared the winner by forfeit.
- g) In the event that neither team can field 8 players, both teams will forfeit the game and a loss will be recorded for both. The game will not be re-scheduled.

3. SCHEDULED START TIMES

Teams will be given 15 minutes from the scheduled start time of a game to field at least eight (8) players. After the 15 minute delay, the game will either start or be declared over by forfeit, regardless of the reasons given for the inability to field a team.

4. PRE-GAME RESPONSIBILITIES AND WARM-UPS

- a) 25 minutes before game time, the Visiting team has the infield and outfield for the next 10 minutes.
- b) 15 minutes before game time, the Home team has the infield and outfield for the next 10 minutes.
- c) 5 minutes before game time, the Umpires will call the Managers for the pre-game meeting and exchange of line-ups.
- d) The home team will provide the Umpires with 4 balls at the start of each game.

5. PLAYING RULES

- a) At all parks, a **CONTINUOUS BATTING ORDER** is to be used by all teams, as follows:
 - i. All players in attendance and playing defensively are to be listed on the batting line-up in the order that they will bat, and that order will remain constant for the entire game.
 - ii. Coaches must supply a batting line-up (with player names and uniform numbers) to the scorekeeper, umpire and to the opposing manager prior to the commencement of the game.
 - iii. Should a player arrive late to a game, his/her name is added to the bottom of the batting order.
 - iv. In the event of an injury, the following procedures will be followed:
 - **Injury to a runner:** the player last out will replace the injured player
 - **Injury to a batter:** the player last out will complete the turn at bat, assuming the existing count
 - **Injury to a fielder:** any player on the bench may replace the injured player

Once an injured player misses part of his turn at bat, he/she may not return to the game.
 - v. If a player must leave the park, is injured, or is ejected by an umpire, he is simply skipped in the batting order. **He is not an automatic out.**
 - vi. A player listed as injured on the line-up roster shall not play at any time during the game.

- b) **UNLIMITED SUBSTITUTION:** Defensive changes may be made at any time (subject to the Fair Play and Pitching Rules, below) and to the limitation that a pitcher, once removed from the mound, may not pitch again in the same game.
- c) **FAIR PLAY RULES:** All players in attendance at a game, **must play at least 3 innings in a game**, except for injury or disciplinary reasons (which must be communicated to the Plate Umpire and the Score Keeper), or except in games where a full contingent of players is not present (see Rule 2) or where a game is terminated early pursuant to weather, darkness or the 10-Run Rule. Additionally **players may NOT sit out for more than 2 consecutive inning**. Failure to comply with these rules may result in forfeiture of the game.
- d) Use of a **COURTESY RUNNER** for the catcher on base is **mandatory after two outs**. The substitute runner is a player off the bench or, if everyone is playing, the last out.
- e) **TIME LIMIT:**
- i. In all Exhibition and League games, when there is a game following, **no new inning is to be started after ¾ hour before the scheduled start time of the following game**. Games called because of the time limit will be considered Regulation Games regardless of the number of innings played.
 - ii. Playoff games are not subject to a time limit.
- f) **LEADOFFS.** Leadoffs are permitted in this Division.
- g) **DROPPED THIRD STRIKE.** Standard baseball rules apply
- h) **5 RUN LIMIT:** There shall be a limit of no more than 5 **runs** scored per team per inning. In the 7th inning the visiting team (if already leading) can score only 5 runs, or (if trailing) can score as many runs as it takes to reach a 5 run lead. The home team can score as many runs as it takes to win the game.
- i) **MERCY (10 – RUN) RULE:** If the visiting team is ahead by 10 runs after at least 5 complete innings, or if the home team is ahead by 10 runs after at least 4.5 complete innings, or if the home team goes ahead by 10 runs or more before completing its at bat in the bottom of the 5th inning, the game is terminated and the team ahead is declared the winner.
- j) **SLIDE OR AVOID RULE:** BCMBA Rule 24.01 is as follows:
Slide or Avoid. If a play is being made, or is about to be made, it is **MANDATORY** for players of all age groups to slide or make an effort to avoid a collision at all bases and home plate. Failure to do either will result in an automatic 'out'. The ball is dead and no runner may advance beyond the base that was last legally acquired. An umpire will have the option of ejection if the incident warrants such a measure.
- k) **FORCE-PLAY SLIDE RULE:** See BCMBA Rule 24.02. In summary, on any force play, the runner must slide directly into the base (**or on the side of the base opposite to that of the fielder** to avoid making contact or altering the play of the fielder). Interference will be called when (a) any contact occurs between the runner and fielder outside of the straight line between bases, or (b) the fielder is forced to avoid contact (by jumping or other means) outside of the straight line between bases. Contact is only permitted on a direct slide into a base.
- PENALTY:**
- With less than two outs, the batter-runner, as well as the interfering runner, shall be declared out and all runners must return to the base they occupied prior to the pitch. (Note: there are **NO EXCEPTIONS** to this);
 - With two outs, the interfering runner shall be declared out and no other runner may advance;
 - If the runner's slide is flagrant, and injures or has a high likelihood of injuring the fielder, the runner shall be ejected from the game.

- l) **HEAD FIRST SLIDES:** as per BCMBA 24.03, **no head first slides** to a base or home plate are permitted in this Division. Offending players will be automatically called out. (Diving head first BACK to a base already legally acquired is allowed.)
- m) **BLOOD RULE:** BCMBA Rule 24.04 is as follows:
Bodily Fluids Rule (Blood) ALL DIVISIONS
- i. Any player during a game who is bleeding or who has an open wound, shall be removed from the field of play by the umpires. The player may return to the game only after the bleeding has stopped and the affected or open wound has been completely and securely covered to the satisfaction of the umpires.
 - ii. Should the same player start bleeding again or the affected area shows signs of bleeding, the umpires may remove the player for the duration of the game.
 - iii. Should any blood be on the player's uniform, it must be washed out completely to the satisfaction of the umpire prior to the player returning to the game.
 - iv. The substitute player is only a courtesy player until the original player returns.
 - v. If a pitcher, while pitching, suffers an injury referred to in paragraph (i) above, the umpire will call a courtesy time for no longer than fifteen (15) minutes. If the pitcher can not return in this time a pitching change must be made.
 - vi. Should a team only have eight (8) players available at the time of an injury referred to in paragraph (i) above a courtesy time will be called for no longer than fifteen (15) minutes. If the affected player is unable to return after this time then the game will be forfeited.
- n) **EQUIPMENT.** Refer to BCMBA Rule 20. Note: All players, including players used as coaches, must wear double ear-flap CSA approved **helmets equipped with chin straps (and these must be fastened)**. All catchers must wear a full helmet (or face mask with throat protector and skull cap) while catching at all times, including in all practice and warm-up situations such as in the bullpen or between innings. Shoes with **metal cleats are prohibited**. Bats may not be more than 33" in length or 2 3/4" in diameter.

6. PITCHING RULES

a) **NUMBER OF PITCHES AND REQUIRED REST**

Up to and including May 15th:

1-35 pitches per day = no rest

36-55 pitches per day = 2 nights rest

Maximum pitches allowed = 55 per day

After May 16th:

1-35 pitches per day = no rest

36-55 pitches per day = 2 nights rest

56-75 pitches per day = 3 nights rest

Maximum pitches allowed = 75 per day

Note 1: There are no maximum total pitch counts for a week (except in Mosquito) or tournament.

Note 2: Pitches thrown in warm-up, bullpen, or ruled no pitch by the umpire because time was called prior to the pitch, or thrown when ruled no pitch due to a balk do not count towards pitch count.

b) **PITCHING ON CONSECUTIVE DAYS:** BCMBA Rule 23.06

Pitchers may not pitch on three consecutive days except during BCMBA sanctioned tournaments and provincial championships.

c) **PITCHING AND CATCHING ON THE SAME DAY:** BCMBA Rule 23.07

If pitcher pitches less than the lowest number of pitches allowed in pitch count without requiring rest, the player is still permitted to catch during that day

- d) **PENALTY FOR VIOLATIONS:** BCMBA Rule 23.08
- i. **Maximum Pitch Count Violation**
If a pitcher is about to exceed his/her maximum pitch count for the day the opposing manager and/or official scorekeeper and/or tournament director must inform the pitcher's manager before the violation occurs. If a violation is discovered after it occurs the pitcher is simply removed from the mound and no further penalty will be invoked.
 - ii. **Rest Rule Violation**
If a pitcher pitches without proper rest, as defined above, the game will be forfeited to the opposing team. Such a violation may be protested by the opposing team up to 48 hours after the game upon the discovery of the violation.
- e) **ENFORCEMENT AND TRACKING:** BCMBA Rule 23.09
- i. Managers will be responsible for tracking the pitch count of their pitchers and may assign this duty to their scorekeeper, assistant coach, etc., however it is ultimately the manager's responsibility to ensure pitch count is followed.
 - ii. Each team is responsible for **maintaining a log of pitches thrown** by their pitchers on the form provided by BC Minor. A team may request to view their opposition's pitch count log prior to a game. A manager failing to maintain an accurate log may be reported to BC Minor and may face supplemental discipline including the forfeiture of games.
 - iii. Under no circumstances will umpires be expected to track or enforce pitch count.
- f) **BALKS:** Up to and including May 15, **each pitcher will be given one balk warning per game.** This applies to balks related to pitching mechanics only (not to dropped balls, etc.).
- g) **STEPPING OFF THE RUBBER.** After a pitcher steps onto the rubber with the ball, the only way he/she can legally step off is to **step backward with his/her pivot foot.** The BC Baseball Umpires Association (BCBUA) has ruled that stepping off improperly is a balk.

Players, coaches, and umpires have the right to participate in the game without being subjected to abuse or distractions from outside the playing field.

Examples of unacceptable behaviour include but are not limited to: showing disrespect to umpires, opposing players, coaches, parents, and league administrators including: taunting, insulting language, angry outbursts, gestures, and physical aggression. The consumption of alcohol is not permitted at BCMBA sanctioned games.

Coaches are expected to make their best efforts to ensure these expectations are met by their parents and supporters.

Any parent or spectator that fails to meet these expectations may be asked to leave the area surrounding the field by the umpires. The umpire may speak directly to the individual being asked to leave or may chose to have the appropriate coach communicate this decision to the parent. If a parent or spectator refuses to leave the area surrounding the field the umpire may suspend the game without making any judgment as to the final score, which will be determined by the BCMBA.

Any BCMBA director may request that a parent or spectator leave the area surrounding the field of play as per the requirements of Rule 16.

The BCMBA may review any reports submitted in writing regarding unacceptable parent behaviour and issue discipline as they feel warranted.

8. EJECTIONS

In the event of an ejection of a player, coach, or manager, the following will occur:

1. The ejected player, coach, or manager will leave the field of play immediately. A player may remain on the bench however a coach or manager must remove him/her self from the vicinity of the ball park.
2. The ejected player, coach, or manager **will automatically serve a one game suspension following the game he/she was ejected from.** No appeal will be allowed for this suspension.
3. Within 24 hours, the umpire that performed the ejection will submit a BC Baseball Umpires Association Ejection Report by filling out an electronic form at the BCBUA website <bcbua.ca>. He/she will also inform the relevant Association President(s) and UICs.
4. A copy of this form will be forwarded to the GVBA UIC by the BCBUA website.
5. If the ejection is deemed by the umpire or Umpire in Chief to be considered “offensive” or “very offensive”, as defined by the BC Baseball Umpires Association, copies of the ejection report must be forwarded onto a GVBA Discipline Committee for review within 24 hours of receiving it. The Discipline Committee will review the ejection report and will decide if further disciplinary action beyond the one game suspension is warranted. After the automatic one game suspension is satisfied, the player coach or manager may resume play pending the decision of the Discipline Committee. If further suspension is required, the player coach or manager must begin the suspension immediately after the decision is given.

6. A suspension greater than one game may be appealed in writing to the GVBA Discipline Committee Chair, within 48 hours of the Discipline Committee submitting its decision. The player, coach, or manager is still under suspension until the appeal is heard by a GVBA Special Board Meeting which will occur within 72 hours of the appeal submission.
7. The GVBA Discipline Committee Chair will notify all Association Presidents and UICs of the final outcome of all ejections.

9. INCIDENT REPORTS

Incident reports can be submitted by anyone involved in a baseball game (on or off the field) that involves a GVBA team. An Incident Report is used to report **behavior** from any player, coach, manager, or umpire involved in a game that is felt not to be in accordance with the BC Minor Code of Conduct. Incident Reports should not include complaints of an umpire's judgment calls or rule interpretations. Incident Reports can be submitted to any GVBA Board Member and may be reviewed by a Discipline Committee. It is at the discretion of the Discipline Committee Chair to decide on the appropriate course of action to deal with the situation.
